

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving 2010 Street Maintenance Projects for Proposition 1B Funding (\$2,000,000)

MEETING DATE: November 4, 2009

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt a resolution approving the 2010 Street Maintenance Projects for Proposition 1B funding (\$2,000,000).

BACKGROUND INFORMATION: The City has received Proposition 1B funds from the State since April 2008, totaling approximately \$2,000,000, which includes accumulated interest. It is a requirement of the Proposition 1B funding program that formal action be taken to designate a specific project to be funded, in part or in total, using these funds. It is required that the funds be expended by the end of 2011. The funds had been reserved for the Lodi Avenue Reconstruction Project, the bids for which came in below the original project estimate and, as a result, that project will be entirely funded by American Recovery and Reinvestment Act (ARRA) and Measure K funds.

The proposed 2010 Street Maintenance Projects include installing an asphalt concrete overlay on several streets throughout the City, including Ham Lane from Turner Road to Lodi Avenue, Ham Lane from Kettleman Lane to Harney Lane, Vine Street from Mills Avenue to Ham Lane, Vine Street from Garfield Street to Cherokee Lane, Mills Avenue from Kettleman Lane to Jamestown Drive, and Elm Street from Hutchins Street to Church Street. Depending upon the construction bids received, more streets may be added or removed from the list to match the work to the available funding. The funds will be used, in addition to construction, for design and pre-design studies.

Staff will later request Council action to approve bidding the construction projects and awarding the contracts when the plans, specifications and estimates are completed.

FISCAL IMPACT: There is no fiscal impact for the fund appropriation.

FUNDING AVAILABLE: Not applicable.
